

Illawarra Shoalhaven Joint Organisation Policy Manual

Related Parties Policy

1. Policy Statement

The Illawarra Shoalhaven Joint Organisation (ISJO) requires that its financial statements comply with disclosure requirements under Australian Accounting Standard AASB 124 *Related Party Disclosures* and that key management personnel (KMP), including Board Members, are aware of their responsibilities in relation to reporting related parties and the disclosures that may be made in the annual financial statements.

2. Guiding principles

- 2.1 That key management personnel not profit from a position of trust or place themselves in a position where duty and interest might conflict
- 2.2 That key management personnel account for a profit or benefit if it was obtained when such a conflict existed or by reason of the fiduciary taking advantage of an opportunity or knowledge derived from that position
- 2.3 That key management personnel are not swayed by considerations of personal interest and from actually misusing their position for personal advantage
- 2.4 That responsibility for reporting and compliance by related parties is clearly expressed to them.

3. Policy and key controls

- 3.1 In complying with disclosure requirements in AASB 124, the ISJO will:
- 3.2 Identify related party relationships, related party transactions and ordinary citizen transactions
- 3.3 Identify information about the related party transactions for disclosure
- 3.4 Establish systems to capture and record the related party transactions and information about those transactions
- 3.5 Identify the circumstances in which disclosure of the items in subparagraphs (1) and (2) are required, and
- 3.6 Determine the disclosures to be made about those items in the General Purpose Financial Statements for the purpose of complying with AASB 124.
